

Jefferson County Farmland Conservation Easement Commission

Donated Easement Program

Federal Income Tax Deductions of up to 100% of Adjusted Gross Income for donated farmland conservation easements are available for farmers donating easements in 2011. Tax Deductions of up to 50% of AGI are available for other landowners.

Applications are accepted at any time. See Michelle Staff at the Jefferson County Zoning Dept., 920-674-8638 for information.

Applications should be received by the Zoning Department by October 1 to ensure eligibility for tax deductions. Landowners will need to pay for their own appraisals and conservation easement language.
